

# Script for follow up

---

Subject: [Subject of Your Choice] Follow up Post Session  
Hi [Client's Name],

I hope this email finds you well. It was great to see you today during our session.

How are you feeling after our session? [Insert your personalization based on their treatment ei: how is your shoulder?]

Here are the things that I recommend for home care:  
[List the home care recommendations or instructions here and add links to pdf, videos, or blogs with directions.]

Regarding our next session, I recommend  
[Specify the recommendations or what you plan to incorporate in the next session.]

I would like to see you again  
[Include the frequency or when they should book in again]

The reason I'm recommending these is  
[Explain the benefits or reasons behind your recommendations. Share your insights or thoughts on how this will contribute to their future success.]

If anything is coming up or if you have any questions or concerns after the session, please feel free to email me back, and I'll be happy to assist.

Looking forward to our next session.  
Best regards,

[Your Name]  
[Your Designation]  
[Your Contact Information]  
[Your booking link] [Your social media] [Your Website]
